East Coast Plastics acquisition

(Michigan City, IN) - Lighthouse Industries has acquired **East Coast Plastics in Florida**. The acquisition strengthens Lighthouse Industries' core competencies: **front-end development** in injection-molded part, tooling resources and processing.

East Coast Plastics concentrates on high-end injection molding.

- 24-hour quality center, including:
 - First piece inspection
 - Scheduled visual and dimensional checks
 - All with your required documentation
- Machine Park, includes:
 - Press tonnage range from 30 ton to 650 ton
 - Shot size range of 3 ounce to 125 ounce
- Over 85 experienced and continuously trained technicians, supported by, in house:
 - Engineering department
 - Tooling department
 - Quality department
- Over 27 years of experience
- 80,000 square-foot of production space and warehouse

Lighthouse Industries/East Coast Plastics is **still your provider of:**

- Engineering
- Design
- Tooling
- Molding
- Assembly
- Fulfillment
- Offshore sourcing
- Material Specifications
- Speed to Market projects

So for total **"ownership"** of your programs, let us know how **we can help** you with your next project.
